Dear Sir:

SECOND INFORMATION DISCLOSURE STATEMENT

Pursuant to the provisions of 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants are enclosing copies of several documents which may be material to examination of the present application.

More specifically, Applicants are submitting a copy of a PCT Search Report (PCT/ISA/220 and 210), which was issued on May 3, 2002 by the European Patent Office (EPO) in a PCT application that corresponds directly to the present U.S. application. The PCT Search Report cites four documents, and

a copy of each is enclosed. Each of these four enclosed documents is also listed on enclosed Form PTO-1449.

This Information Disclosure Statement is being submitted under 37 CFR \$1.97(b), or in other words prior to mailing of a first Office Action on the merits. Accordingly, no fee is believed to be due for filing of this Information Disclosure Statement.

In addition, this Information Disclosure Statement is being filed within thirty days after issuance of the PCT Search Report, in order to comply with the provisions of 37 CFR \$1.704(d). More specifically, and since the PCT application designates other countries and the PCT Search Report was issued by the EPO, it is hereby certified that each item of information contained in the Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart application and that this communication was not received by any individual designated in \$1.56(c) more than thirty days prior to the filing of this Information Disclosure Statement.
